

The spy kid

Episode 1 the adventure begins

Adrian Parente

- I am just an ordinary regular kid
- No talents not special
- I see a message in a quick blur
- The message say's meet me at the Peace monument at 3:00
- I went there at 3:00
- I saw someone I recognized him
- I said hi Oliver

- He said I go by the name shadow you go by the name claws
- I said okay can you explain to me what's happening
- He said you are a member of my secret spy squad
- Meet A.l.i.c.e.
- Authorized literature incomplete circuit efficient this computer looks like a person but it's not
- Here is your first mission we had someone hack into 10 houses we need you to find out what or who is causing it
- I will give you a team meet agent night he is similar to you but has 1 flaw he can not go through vents

- I said why would we need to go through vents
- He said the source is hidden somewhere
- This assignment is critical you complete it it goes from 1 house to 3 to 7 to 15 to 35 and expands forever
- I said we must find out a clue
- Night said let's search to find what's causing it I said

The red stands for where we are
blue is them we need to go
through the vent inside the floor
and in the pipe I said no no no no
you can't go inside a vent and we
can just take a train he fainted

- Everyone said he wants to go in the forbidden place everyone screamed I asked shadow why are we doing I said we do it travel by train we travel by spy car I said okay
- I went back to night he said it's too dangerous noooooooo I said or we can travel by spy car he said okay
- We saw someone coming this way he said well well well agent night and claw's I said how do you know our name's
- He said well that doesn't matter quickly pulling a blade out night said hang on I said what but before I could scream he pulled us up in the vent he also said ride on my head it was weird but I did and he turned to a car

- Then he duplicated him and turned big he grabbed the blade and broke it and tied that guy around
- I said how you do that he said I aced my combat class and got a A+ on my gadget and magic test I said we are not the same we went down to the agent we said our lair is important time to destroy turtles attack
- They rolled up and mashed up we jumped jumped and jumped night said first thing to know while fighting turtles is they hate water he said can you swim I said yes than he said SWIM! he dumped water that came out of nowhere
- I said good job

- I went back there I saw a man with a costume he said you found me
- I said you are arrested he said smoke bomb I said how did he do that
- Night said magic class part 18 confusion and escapes
- I found shadow he said good work I said thanks and I also said can I take classes shadow said yes I also asked shadow here are pictures of them who are they he said 1st one is mask man he wants to stop us and before he worked for us until he turned evil
- Second is turtle shell he did not work for us but he knows because when he did world domination we put him in our cage last is ...
- Agent fire oh no we got to stop him we said what are his weaknesses us shadow said I will give your next assignment's soon
